

Our Vision

We aim to graduate students who:

- desire to grow in faith and understand the limitations of worldly thought.
- have a passionate heart to bear the fruit of the Spirit.
- distinguish between a personal relationship with Jesus Christ and religion in form only.
- listen carefully, think clearly, and articulate precisely.
- display respectable conduct and social etiquette.
- are resourceful in seeking solutions and creative in thought.
- are capable of evaluating their experiences in the light of the Scriptures.
- possess all of these characteristics with humility and gratitude to God.

The following objectives provide an understanding of the school's vision and what the school must endeavor to accomplish in order for this vision to become and remain a reality.

- We will challenge students to be servants of Jesus Christ in a global society.
Galatians 5:13 *Joshua 24:14a*
- We will cultivate a spirit of community by fostering and demonstrating love for one another.
Galatians 5:22-23 *Philippians 2:1-4*
- We will excel in the educational and faith development of students.
Proverbs 4
- We will nurture God-given gifts and talents to be used for His purpose and glory.
1 Peter 4:10 *Luke 12:48b*
- We will prepare students to be articulate defenders of the faith.
Romans 12:21 *1 Peter 3:15* *Matthew 22:29*
