**FINANCIAL POLICY**

2012-13

The most common problem facing Christian schools is working with limited resources. Tax dollars do not support these schools and they must depend solely upon tuition and contributions to meet their obligations. Missouri Valley Christian Academy is no different. Your tuition dollars are vital to our school's survival.

Therefore, before you make this financial commitment with Missouri Valley Christian Academy, we would ask that you prayerfully consider it in light of the following Scriptures:

- *“Suppose one of you wants to build a tower. Will he not first sit down and estimate the cost to see if he has enough money to complete it?” Luke 14:28*
- *“It is better not to vow than to make a vow and not fulfill it.” Ecclesiastes 5:5*
- *“Let no debt remain outstanding, except the continuing debt to love one another.” Romans 13:8a*
